

4 Bed | 5.5 Bath | 5312 SF | 4-Car Storage A breathtaking riverfront retreat nestled in a prestigious gated area in the Two Rivers neighborhood of Eagle. Overlooking the tranquil Boise River and forever greenspace, this custom-designed home defines serenity and sophisticated living. The residence makes an immediate statement—clean lines, a balanced façade, and a perfectly manicured landscape leading to a striking entry. Every inch of the property is perfection, showcasing an elegant blend of modern design, natural textures, and thoughtful architecture. Step inside to spacious high ceilings, sleek tile flooring, and expansive windows that frame stunning views of nature from every window. Sunlight floods the open spaces, and the home's open-concept layout provides the ideal setting for both relaxed living and effortless entertaining. The private primary suite is a peaceful retreat, complete with floor-to-ceiling windows and dedicated "His and Hers" full bathrooms. The home also features a beautifully appointed "In-Law Suite" that is a self-contained living area complete with a separate entrance and attached garage bay, offering privacy for multi-generational living or out-of-town guests. The great room is centered around a floor-to-ceiling rock fireplace, adding warmth and character. The kitchen is equipped with top-of-the-line appliances, custom cabinetry, and an oversized island. Providing form, function and flawless design. For a private showing and to learn more call 208-900-2534.
